Medical Simulation Corporation Debuts New Website Design, Features in 2009

DENVER, January 6, 2009 — Medical Simulation Corporation (MSC) is ringing in the New Year with an updated website design, including new content and additional features. The site can be found at: www.MedSimulation.com.

MSC's updated website provides more information about its comprehensive, simulation-based training, education and marketing services for healthcare professionals, medical manufacturers, and medical societies and associations. Content and features new to the site include:

- Video vignettes highlighting MSC services for manufacturers and healthcare professionals
- One-step login to MSC's online courses for easier navigation and course completion
- Overview of MSC's Solutions for hospitals and healthcare networks, healthcare professionals, medical manufacturers, and societies and associations, including:
 - MSC's Services
 - How to Use Simulation
 - Case Studies
 - Our Customers
- Detailed descriptions of all MSC generic courses
- Google-powered search functionality

Medical Simulation Corporation (MSC) is the recognized industry leader in providing full-service simulation training and education services to healthcare personnel, medical societies and medical manufacturers. MSC's patient safety solutions are designed to strengthen the competence and confidence™ of nurses, physicians and technologists. Through its network of training platforms, MSC can provide customized training services to any location worldwide. For more information, please visit www.medsimulation.com or call 888/889-5882.
